Chairwoman's Corner

Spring is just around the corner! After this long and snowy winter, this is the time of year to start your spring-cleaning. The Town has a residential dumpster program for our trash customers to help you out. Please remember this is a first come first serve program just call the Town Office for all the details.

Make sure to check out our calendar for upcoming events. We get to look forward to Farmer's Markets, Car Shows, Concerts, Carson Valley Days Breakfast on June 8th and a whole lot more.

You may notice construction at the Minden Park Gazebo this spring as the restroom and ramp renovations begin and we all look forward to the new splash pad which will open up to the public in May.

We want to thank Glen Radtke for his years of service to the Town. The Board is currently going thru the process of filling this vacancy. If you are interested in attending the Town Board Meetings they are held the first Wednesday of each month at 5:30 pm in the CVIC Hall. Come join us!
