

SPRING 2012

TOWN OF MINDEN

Chairman's Chatter

Spring is supposed to be right around the corner; for your spring cleanup, remember extra trash collection is on your third trash day of the month. Speaking of trash collection, have you noticed that the windy days are always on the trash collection days? If you have happened to find a surprise trash can in your yard since the last windstorm, please contact the town office so we can reconnect the lost container with its rightful owner. Both parties would be grateful.

Mark your calendars for Saturday, April 28th! The Town of Minden will be hosting a FREE film day at the CVIC Hall. The times and other details will be announced in the near future. The grand finale film being shown was chosen from the winning votes collected at the CVIC Hall Centennial Dinner Dance that was held in February. If you missed the Dinner Dance, you missed a lot of fun, good food, and the great Rosebud's Dance Band.

The Town Board and staff are always looking for ways to improve services to meet the needs of our residents; all input—good or not so good—is needed. If you feel something needs to be addressed, please contact the Town staff or a Board member. We all are working for the good of the Town of Minden. Last but not least, stop by the Town Office to enjoy a cup of coffee and say hello to the staff. Enjoy what is left of winter or spring — you get to choose.

If you would like to receive email updates from the Town, please stop by or send your email address to mindenom@townofminden.com and we will keep you updated on all upcoming events. You can also visit our web site: www.townofminden.com for all kinds of useful information!

Sincerely, John Stephans

Jenifer's Journal

Hard to believe it's April 2012 already! Minden is gaining momentum starting with a new annual tradition, the Dinner Dance in February. What a fun and exciting way to set the tone for the remaining year! Keep your eyes peeled and your ears open for additional information regarding upcoming events in April, June, July and October as the year progresses (please refer to the event calendar). We hope to see the smiling faces of many Minden residents at each of the events. After all, it is the Minden community spirit that will make them a success.

Keeping community spirit in mind, the Town of Minden will be working closely with the Towns of Gardnerville and Genoa in the coming months to cross-promote events to the benefit of all. Gardnerville's Open Range Western Trail Dinner kicks off the week-long cowboy celebration on Wednesday, April 25th, followed by Genoa's Cowboy Poetry Festival which runs from April 26th—29th. Minden joins in the fun on Saturday the 28th

with our Cowboy Film Festival. Pick up your tickets for the Film Festival and receive a coupon for a discounted day pass to the Poetry Festival (while they last!) The Town has a limited number of discounted passes available, and limited seating at the Film Festival also — reserve yours today! Attendees of the Film Festival who reserve their tickets in advance will also be entered into the raffle drawing for each event they attend. Come see all three movies and be entered to win the grand prize as well!

As you can see, there is a lot going on in the Town of Minden but our focus remains on providing efficient and effective service to Minden Residents. As always, your comments are greatly appreciated. Please do not hesitate to let us know your thoughts.
