

# Winter 2010-2011

## Join us in this new chapter of Minden's history...

To start, I would like to thank our three outgoing town board members for their outstanding service in guiding our town over the last 20+ years. Bob, Dave, and Ross— THANK YOU! Job well done.

Furthermore, I would like to welcome our three new board members— Roxanne, Charles, and Matt—welcome aboard!

I hope everyone enjoyed the lighting of the gazebo and the tree at Minden park, along with the Parade of Lights and all the other activities held over the weekend of December 3<sup>rd</sup> and 4<sup>th</sup>.

As incoming chairman, I would like to invite you to our town meetings, which are held on the 1<sup>st</sup> Wednesday of every month. Your involvement is welcomed.

We also encourage you to visit us at our web site, [www.townofminden.com](http://www.townofminden.com). We would love to hear from you, so please let us know what we could improve and what you like. The town board and staff welcome your suggestions and involvement.

Hoping the New Year brings joy and happiness to each and every one. See you at the next town board meeting!

—John Stephans,  
Chairman

Let it Snow!

We never can tell for sure, but it looks like it's going to be a white winter! You can get our complete snow removal plan from our website or by contacting the Town office, but there are a few steps you as a resident can take to help keep our community safe.

- **Keep the sidewalk in front of your property clear.** Shovel the snow into your yard and enjoy the benefits in the spring after it melts!
- **Do not shovel the snow into the street.** This inhibits proper drainage and can cause a big mess.
- Remember that the Town will only plow the streets if there is accumulation of at least 6" on the ground with a projection of more to come within the next twelve hours.

## Green Waste Collection

The Town is proud to offer free green-waste pick-up all year long; however, during the winter months when the yard waste is minimal and the weather can complicate trash collection, don't fret if your brown can is not picked up on Tuesday. Just go ahead and put it out on your regular trash day with your other can(s) and we will be sure to empty it then.

## We need your help!

The Town of Minden processes over a thousand payments each quarter, and while we have an excellent record of getting most all those payments in the right place, there are a few little steps *you* can take to help us get your payments posted quickly and correctly.

- **Please indicate your account number on your check.** This is an enormous help when it comes to posting the payment to your account, especially if the check gets separated from the remittance slip or if the name on the check is different from the one on the account. While mispostings are rare, this will further ensure that your payment gets applied to the right account.
- **Please refrain from stapling your check to the remittance slip.** It can be tricky to remove the staple without damaging the check, making for a much more time-consuming process. The staple *can* be attached to the check sub, but we would really appreciate having the check free of all staples (or other adhesives).
- **Please have exact change when bringing in cash.** We keep very little cash on hand, so it is often difficult to come up with the correct change. We'll do our best, but exact change is *much* appreciated, and overpayments can always be applied to future billings. Yay!

## Coming to Town:

Elks Crab Feed CVIC Hall	Jan 28
CVAC Concert CVIC Hall	Feb 25
Library Community Read Program CVIC Hall	Mar 20
Friends of the CV Youth Orchestra Concert CVIC Hall	Mar 27
Kiwanis Ham Bingo CVIC Hall	Apr 2

More than just a pretty website, [www.townofminden.com](http://www.townofminden.com) is your key to staying informed on all things Minden. Want to know what events are coming to town? Need to order a dumpster? Curious about current projects or the Town's snow removal policy?

Maybe you want to catch up on the minutes from the last Board Meeting or check out the latest photos taken of our staff. It's all there and accessible anytime day or night. If there is something you don't see on the site, just give us a buzz or drop us an email and we'll do our best to get you an answer right away. Policies, forms, applications, and so much more are at your fingertips— visit [www.townofminden.com](http://www.townofminden.com) and let us know what you think! We're open to suggestions and/or feedback.

### Roger's Report

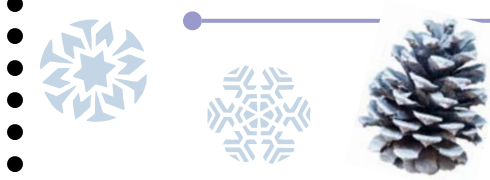

Happy New Year! With the passing of the winter solstice, the days will start to get longer and it will be time to begin spring cleaning and planting. If you're starting to plan your garden, please think about making your garden as water efficient as you can.

2011 brings many changes to Minden. The last three members of the Town's longest standing Board have been termed out and three new members have joined the current Board. Welcome new Board members Matt Bernard, Charlie Condron, and Roxanne Stangle. Congratulations to John Stephans, who was elected the 2011 Board Chairman, and to Steve Thaler, who was elected the 2011 Board Vice-Chairman.

The water tank in the East Valley area is complete and we will have the corresponding water line installed and connected in 2011. We will start construction on two booster pump stations soon, to support the water tank and the water line to the north, and additional water line projects in the Town to improve our ability to deliver water.

We're completing the permit process on our new maintenance facility and will start construction this year, with a ground breaking ceremony in January or February. If all goes well, we will open the new facility in late summer or early fall. Watch for progress pictures on the Town of Minden website, [www.townofminden.com](http://www.townofminden.com), as the project moves forward.

Check the website often to see what's happening in Minden. Stay warm, be careful, and have a Happy New Year!

The Minden Town Board Meetings are held the first Wednesday of every month at 5:30 p.m. in the CVIC Hall. The public is welcome and encouraged to attend. Agendas and Minutes are posted on our website:

<http://www.townofminden.com/eventsandnews/meetingagendasminutes.html>

### Street Sweeping Schedule

- 1st Week:** Old Town / County Road
- 2nd Week:** Mackland / Westwood / La Costa
- 3rd Week:** Old Town / Wildrose / Deseret / Buckeye Rd & 8th St. East of HWY 395 / Minden Village\*
- 4th Week:** Ironwood Drive / Winhaven / Winhaven Patio Homes\* / Monterra

**Please keep vehicles off of the street on the Friday of the week your neighborhood is scheduled for sweeping.**

\*Streets not accepted by the Town are swept only the first month of each quarter.

### Helpful Reminders...

Our trash guys do their best to pick up whatever you have to put out; however, there are some items that are just not safe to be handled with the regular trash. Hazardous household waste such as old TVs & computers, paints, solvents, pesticides & fertilizers, aerosols cans motor oil & gas, as well as household chemicals & cleaners should **never** be placed in your garbage can. Instead, call Douglas Disposal at 782-5713 for guidance on disposal of these and other hazardous items. Together we can keep you and the trash guys safe— as well as properly take care of this harmful waste.

### Team Minden!

#### Town Manager:

**Roger Van Alyne, P.E.**
