## Chairman's Corner

Spring is in the air! Let the Town be a helping hand with your spring cleaning. Don't wait too long to get your name on the list for the dumpster program as they are popular this time of year.

The Town is working on a few projects with more coming up. The CVIC Hall renovation is finished and looking beautiful. Our crews are working to spruce up Minden Park this spring with more renovations to the Park planned

for the Fall. Coming up soon is the Lucerne Street Project, and the Town is discussing possible improvements to Westwood Park.

We always strongly encourage everyone to come to the Board Meetings and to be involved in the process, Town Board Meetings are held the CVIC Hall the first Wednesday of each month at 5:30pm. We appreciate hearing feedback from residents.

The warm weather is just around the corner and come June we will be hosting our Carson Valley Days Breakfast at Minden Park in partnership with Model Dairy. I want to give a huge thank you to Model Dairy for their continued support, we couldn't put on such a wonderful event without them.

~Matt Bernard

Please pardon our mess. We are currently working on several projects around Town.

Here are a couple:

- The Minden Park Gazebo is getting a facelift with a fresh coat of paint.
- The Rotary Weather Vane Monument is being installed in Minden Park.

## Trash Tips

(excludes The Ranch of Gardnerville)

### Friendly Reminders

- ◆ Please do not put trash or bags in your yard waste can.
- ◆ Please have cans out on trash & yard waste days by 6:00 am each week.
- ◆ If your trash day falls on a holiday, cans will be picked up the day before.
- ◆ Please allow 3 feet between cans.
- ◆ Extra Trash Day is your third trash pickup of the month. Please bag or bundle it.

### Residential Dumpsters

- ◆ The Town will need your updated residential dumpster liability form if you haven’t filled one out in the last 5 years.
- ◆ Residents are able to participate in this first come first serve program twice a year for free. Please call us to get added to the list. We can’t promise a date but we do our best to accommodate. Wait times may vary depending on the season.
- ◆ No hazardous materials or tires will be accepted.

Did you know that walking around Minden Park 5 times is equal to a mile?

### Reminders from our Water Crew

The weather is getting warmer and it’s almost time to turn on your irrigation. Be sure to double check your lines and keep an eye out for any leaks that may have happened over winter.

The update to the Plans for Prosperity are under way and we would love to have you part of the process. Please visit our website for additional information.
