## **Chairman's Corner**

Well, winter has appeared in March just like last year, so hold on for spring.

With everything that is going on with COVID-19, the Town is working through this with the most diligent care. If you have any concerns, please call the office. On the bright side, we are looking forward to serving breakfasts again on Carson Valley Days along with the up-coming Concerts in the Park starting in May.

## Reminders From Public Works

Water conservation is something we can all participate in. Although the Town does not currently enforce limited water use, we do ask all residents to be mindful to not waste water. Be sure to water your yard and outdoor plants early or late in the day to reduce evaporation.

As a friendly reminder, please stay out of the water meter pits, as this may cause damage to the equipment. If you have a water related

emergency and need your water turned off, please call the Town Office at 775-782-5976 or Dispatch at 775-782-5126.

You may have also noticed our Water Crew around town installing water meters. If you have not paid for one yet, we are giving everyone an opportunity to sign up for a contract to have smaller installments added to your regular quarterly billing. If you have questions, please reach out to the Town Office.
