

# Town of Minden

1604 Esmeralda Ave, Suite 101 Minden, NV 89423 Phone: 775-782-5976 Fax: 775-782-5287 E-mail: [info@townofminden.com](mailto:info@townofminden.com) [www.townofminden.com](http://www.townofminden.com)  
New Office Hours! We are open Monday-Friday 7:30 am-4:00 pm

## Chairman's Corner

Spring is just around the corner. Our parks are starting to turn green and residents are once again stepping out to enjoy what Minden has to offer.

The Town Staff is working hard preparing Minden Park, Westwood Park and Jake's Wetland as everything starts to grow and bloom. Oh, by the way, I forgot to mention the Seeman Ranch Park project. The fishing dock and bathroom have been installed. We are waiting for the arrival of the pavilion and warmer weather to pave the parking area. Please take the time to visit and enjoy this new facility.

This summer a project is slated for the Westwood Park splash pad. Minden is proud of our parks and facilities, and we always look forward to our residents using and enjoying them. Please help us in keeping them free of litter and trash. Dog owners, please use the doggie bags we provide and pick up after your dog. I am extremely proud of our entire staff. When you are out and about, please take the time to thank them for the outstanding job they do for our town.

— Bill Driscoll

As a reminder the Town Offices will be closed  
on Monday, May 30th in observance of  
Memorial Day.

The Yard Waste  
program has resumed  
for Thursday pickups.  
Please have your cans  
out by 6:00am

## Minden Town Board

- ◆ 6/30 DC Library Summer Reading Program — CVIC

## Notes from Public Works

It is about that time again to rev up your irrigation systems. Often when we bring these systems back on line, leaks are an unfortunate occurrence. If you have a suspicion that you may have a water leak, please reach out to the Town and we can now look at your residential water use trends and help identify possible problems. If you need to investigate leaks further and need a full water shut off, please reach out to the Town and set up a time for our water crew to come and shut the water off at the meter pits. Residents and Plumbers are NOT allowed in these pits. You may also receive a notification from the

Town informing you of a leak at your property which will need to be addressed. Thank you for helping us be good water stewards!

## Trash Tips

(excludes The Ranch of Gardnerville)

Starting in April the Town will begin issuing a trash audit. You may receive a letter in regards to your cans. If you are unsure of how many cans you are paying for please call the office.

**Water Meter**  
Contracts are still available through the end of the year for \$50 per quarter. If you are interested please call the Town office to set one up.

### Friendly Reminders

- ◆ Please do not put trash or bags in your yard waste can.
- ◆ Please have cans out on trash & yard waste days by 6:00 am each week.
- ◆ If your trash day falls on a holiday, cans will be picked up the day before.
- ◆ Please allow 3 feet between cans.
- ◆ Extra Trash Day is your third trash pickup of the month. Please bag or bundle it.

### Residential Dumpsters

- ◆ The Town will need your updated residential dumpster liability form if you haven't filled one out in the last 5 years.
- ◆ Residents are able to participate in this first come first serve program twice a year for free. Please call us to get added to the list. We can't promise a date but we do our best to accommodate. Wait times may vary depending on the season.
- ◆ No hazardous materials or tires will be accepted.

Stay tuned for more information on our Social Media Pages about the Seeman Ranch Park Ribbon Cutting Ceremony.

## Tip of the Quarter

Stinky can? Here's a how-to on cleaning your Trash Can!

1. Start by rinsing out your trash can. You can turn the trash can on its side and spray it out really well.
2. Make a bleach solution or cleaning solution, using 4 cups of distilled vinegar, ½ cup of dish liquid and water.
3. Dip your extendable scrub brush or any scrub brush you'd like to use in the solution and start scrubbing the inside of your trash can.
4. Once you have scrubbed the inside of the trash can really well, turn it on its side and let all of the gunk out.
5. Now it's time to clean the outside of your trash can! Dip a scrub brush into the cleaning solution and give the outside a good scrubbing.
6. Rinse in and outside of your trash can with the water hose. Let dry.
