Chairman's Corner

Well, summer is coming to an end, and it was a busy summer for our awesome little town. Concerts in the park, completion and opening of the Seeman Ranch Park, completion of the Martin Slough Trail, weddings, and many other events in the Minden Park, and of course our ever-popular splash pad.

I want to thank our town residents for their patience as we install new water mains throughout the town, which is part of our ongoing water system maintenance.

We still have some projects we hope to complete before winter settles in. They include the installation of a pavilion and splash pad in our Westwood Park as well as street rehab and resurfacing in Winhaven. Don't forget our holiday events which include the lighting of the Minden Park gazebo and the Chamber of Commerce Parade of Lights.

Bears are part of our environment and community, so please be "Bear Aware". We have some bear resistant garbage cans available, (at a cost). If you are interested contact the Town Office for information.

Unfortunately, we have experienced some vandalism at some of our park facilities. If you see something concerning, please contact the Town Office without delay. If you have a smartphone with a camera, please take a quick picture. If you witness vandalism, please call the Douglas County Sheriff's Office. Thank you for helping us keep our community beautiful!

As a proud member of the Minden Town Board, I welcome the opportunity to discuss any issues or concerns you may have regarding our town. Please give me a call at; Bill Driscoll, (775) 230-2093.

Trash Tips & Fall Cleanup

(Excluding The Ranch @ Gardnerville)

- No trash pickup on Thanksgiving Day. Residents with Thursday trash pickup need to put their trash out the day before by 6:00am.
- Thursday, December 8th will be the last yard waste pickup day! Yard Waste Program will pick back up in March 2023.

Lawn Tips:

- Keep on mowing
- Aerate the Soil
- Rake your Leaves
- Fertilize for Future Growth
- Fill in Bald Spots
- Weed Control

***Please do not blow your leaves into the streets for the Town to pickup. Our staff appreciates your effort in keeping the Town clean.*

Cold weather is on its way!
Don't forget to winterize
your pipes!

Trash Audit

Please keep your eye out for doorknockers with more information on the trash audit. In the mean time, it would be helpful to write your address number on your trash lid. This can also help with a lost or stolen can.

Be Bear Aware!

Due to an increase in bear activity the Town purchased 10 bear proof trash cans. There are only two cans left, but we have a request to purchase more. Although on back order, if you are interested in getting one, or getting on the waiting list call the office at 775-782-5976.

Stay tuned for more news for Channel 2 News drive through food donations. The Town will be collecting donations this Fall. Follow us on Facebook for more info.
