

# Town of Minden

*Winter Newsletter 2022/23*

## **Chairman's Corner:**

As we say goodbye to 2022 and hello to 2023, I am excited to serve the residents of Minden as Chairman of the Minden Town Board.

I want to thank the past Chairman Bill Driscoll for the dedication and support he has given to the Town of Minden staff and its residents. I also want to thank Roxanne Stangle for her 12 years of service on the Town Board. Her love and support of the Town is unmeasurable. With that, I would like to welcome incoming Board Member Larry Walsh. I worked with him while we were both on the County Commission, and look forward to working with him again. I know he will be a true asset to the Board and the Town.

The Town of Minden is truly a unique and special place, with the help of the exceptional employees of the Town, I will strive to keep it that way. Everyone is welcome at our meetings which are held the first Wednesday of each month. Your input is greatly appreciated.

I wish everyone a Merry Christmas and Happy New Year. I look forward to a great 2023 for the Town of Minden

## Holiday Trash Notes

**\*\*Please see calendar below for trash pickup schedule and Christmas Tree Pickup.**

**\*\*Please ALWAYS have your cans out by 6:00am.**

**\*\*Yard Waste Program will resume on Thursday, March 2, 2023.**

**\*\*Do not put your Christmas tree in your green waste can. Save them for tree pickup day and remove all ornaments, tinsel and other decorations.**

**\*\*Extra, EXTRA trash pickup will be the week between Christmas and New Years, on your regularly scheduled trash pickup day.**

**\*\*On all extra trash days, be sure to bundle or bag your trash 3 feet away from your regular can by 6:00am.**

## Important Notes

***\*\*Do NOT blow leaves from your yard into the streets. This clogs the street drains and prevents proper snow melt.***

***\*\*Residents are responsible for keeping the sidewalk in front of their property clear.***

***\*\*Do NOT shovel snow into the streets. Shovel it onto your lawn and your grass will thank you in the spring!***

***\*\*The Town only plows the streets if there is an accumulation of at least 4 inches on the ground with the projection of more snow coming.***
