### CHAIRMAN'S CORNER!

Each year, my wife Judy and I look forward to the Christmas and New Year holidays, with joy in our hearts and optimism for what lies ahead. We are grateful for this beautiful time of the year and for the picturesque town where we live. We often compare Minden to the small towns featured in many Hallmark movies.

As the areas around Minden slowly grow with new homes and families, our charming downtown Minden reminds me of years past, when life seemed a little slower-paced than it is today. I am thankful for the businesses that thrive here and for the care these businesses take in preserving our town's culture and heritage. I also want to express my appreciation and pride in the Town's public works staff, who work diligently to maintain our town's beauty, as well as for our administrative staff, who serve both residents and visitors to Minden.

I would like to thank the current Board Members for placing their trust in me to serve as your 2025 Minden Town Board Chairman. I also look forward to welcoming Mimi Moss, who will soon join our Board. The future is full of endless opportunities, and I wholeheartedly welcome your participation in keeping Minden the very special town that it is.

Wishing you a very happy and successful New Year!

-Chairman, Larry Walsh
