TRASH TIPS TO KEEP THINGS ROLLING SMOOTHLY!

A quick reminder to help keep our trash service running clean and trouble-free:

- Give Your Cans Some Personal Space to ensure pick-up please place your cans at least 3 feet apart and 5 feet away from obstacles like cars, fences, mailboxes, and other items. This gives the truck plenty of room to grab and empty them safely.

- Bag It to Beat the Freeze

Make sure all garbage is bagged before going into the can. This helps prevent loose, wet trash from freezing to the bottom—otherwise it may not come out when the truck dumps it, leaving you with some very unwanted “leftovers” for next week! Do

- Final Yard Waste Pickup

The last Yard Waste (brown can) pickup of the season is December 26th. Service will resume the first Thursday of April next year. Please do NOT bag yard waste.

Thanks for helping keep our community clean and running smoothly!

Be sure to review the Christmas pickup schedule on the back page so you know what day your cans will be collected.

CHAIRMANS CORNER

Minden is a truly special town, and I'm honored to serve as Chair in 2026. Thank you to the Town Board for their trust and to our residents for making this community what it is.

Our success depends on working together. I invite you to share your ideas, concerns, and hopes for Minden with me, any board member, or the Town Office. Your voice matters.

A heartfelt thank-you to our Town staff for their dedication throughout the year, especially during the events that bring us together as neighbors and friends.

Wishing you and your families a Merry Christmas and a Happy New Year!

BOARD MEETINGS ARE HELD
AT THE CVIC HALL ON THE
FIRST WEDNESDAY OF
EVERY MONTH @ 5:30 PM

“In the heart of winter, we're reminded that even the coldest days carry their own kind of warmth found in resilience, gratitude, and connection. As the year winds down, this season offers us a chance to pause, breathe, and refocus. It's a gentle reminder that growth often begins in the quiet moments.” MM

Don't Let Your Pipes Catch a Cold!

Winter is here, and it's time to show your irrigation system a little love! Please remember to properly winterize your irrigation to prevent frozen pipes, leaks, and costly repairs.

Planning plumbing work?

If you don't currently have a shutoff valve at your water connection, it's a smart idea to have your plumber install one. It can save time, money, and stress down the road.

Meter Pit Reminder (This Is Important!)

There is a fine for entering Town meter pits. This applies to homeowners and hired plumbers. For safety and system protection, Town staff are the only ones authorized to access meter pits.

Need your water turned off?

Please call the Town office to schedule a water shutoff. If you have a plumber scheduled, be sure to contact the Town and schedule the shutoff at least 24 hours prior to your plumbing appointment. Our staff are the only ones authorized to operate the meter pits and will be happy to assist.

A LITTLE PREPARATION NOW CAN PREVENT A BIG SPLASH LATER. THANKS FOR HELPING US KEEP OUR WATER SYSTEM RUNNING SMOOTHLY!

From all of us here at the Town of Minden, we wish you and your families a very Merry Christmas and a joyful holiday season. We are grateful to serve such a wonderful community, and we hope your days are filled with warmth, laughter, and time spent with those you love. As we look ahead, we're excited for all that the New Year will bring and remain committed to serving our residents with care and dedication. Thank you for being a part of what makes Minden such a special place. Warmest holiday wishes for a bright and happy New Year!
