## **Chairman's Corner:**

Summer is fast coming to an end but beautiful Fall is approaching. Minden glows in the Fall and the Town bustles with many activities. Be sure to check the Town calendar and to plan to join us for signature events including Halloween Safety Street, the community lighting of the Gazebo and the Parade of Lights. The Town wishes to express its gratitude to the Carson Valley Inn and Model Dairy for their generous support of our Carson Valley Days and 4th of July Celebrations. We look forward to bringing these events to the Town each year.

We hope you enjoyed the Summer's activities including the Concerts in the Park, the Farmer's Market, the art shows, and the many theater productions which were held in our historic CVIC Hall. Speaking of which, the Town has embarked on a renovation of the CVIC Hall which will showcase the Hall at its best. We hope to reveal the changes by early Spring.

My year as Chairman is coming to an end with a new Chairman coming on board January 1<sup>st</sup>. My thanks to Staff and fellow Board Members for their support and encouragement and for helping to make it another successful year in Minden.

~Bill Souigny

Greetings from the Town of Minden administrative office! Each year during the Town of Minden Strategic Planning meeting Town Staff bring the approved Minden Capital Improvement Plan (CIP) to the Board for discussion. This year the meeting was held in September. At this meeting the Board reviewed and provided direction to Town Staff regarding existing projects, discussed the need/desire for new projects and prioritized a final list for budget planning purposes.

The CIP priorities identified by the Board at this meeting for next fiscal year included routine maintenance of streets, sidewalks and water infrastructure, and possible improvements at Westwood Park. The Board will discuss these Capital Improvement and Town Strategic Plan in more detail in the coming months as Staff begins to assemble the budget for next fiscal year pursuant to Board direction. If you are interested in participating in the discussion please consider joining us at our monthly Board meetings. The Board would love to hear from you. Contact the administrative office today and we will add you to the Town Board Meeting agenda distribution list.

-Jenifer Davidson

## Trash Tips &

## Fall Cleanup

(Except at the Ranch @ Gardnerville)

- ⇒ **No trash pickup on Thanksgiving Day. Residents with Thursday trash pickup need to put it out the day before by 6:00am.**
- ⇒ **No green waste pickup the week of Thanksgiving, Christmas or New Years.**
- ⇒ **NO TRASH IN YOUR GREEN WASTE CAN.**
- ⇒ **All cans need to be out by 6:00am the day of pickup.**
- ⇒ **Feel free to put your address on your cans to help keep track of them if it gets too windy and they take a trip down the street.**
- ⇒ **Extra Trash is your third trash pickup of the month. It must be bagged or bundled up off to the side of your can.**
- ⇒ **Please do not overfill cans. Cans that are too heavy will be tagged and not picked up.**

We live in such a giving and caring community. Anyone who has participated in the Channel 2 Share Your Christmas Drive -By Food Drive knows that our valley is exceptional. The Town of Minden wants to help our residents be a part of this great event from the convenience of your own home! The week of December 8th, put your food donations out by your trash can on your regularly scheduled trash day by 6:00 am and we will drive by to collect it. You can also drop your donations off to our Administrative Office. Last year, the Town of Minden along side Douglas Disposal and the Town of Gardnerville were able to collect 11,620 lbs. of food. Let's beat last year!

The Town is currently looking at rebuilding our website. All agenda items will be posted on the Douglas County Website under the Town of Minden.

Some features of the current website may not be available until we have the new one ready to go. All forms should be available and if you are having trouble pulling them up please call the administration office and we will help you out.
